Why don't you go ahead and send the budgets Al, Mary, Ed and Larry as "drafts" and let them know that we are still reviewing/editing. I'll look at them tomorrow and get all my comments together for you at once. So far, not too many!!

Hi Sally,

Attached are the ELC budget proposal - approved by program managers. They have not been sent to or incorporated any input from Al, you, Larry, Mary or Ed. Do you want me to send to these folks, or wait to include anything you may change or add or correct.

Pat was anxious to get to folks asap. She sent them the narrative last week.

I did mention travel to folks (Pat,Linda, Gillian and Doreen). Linda adjusted her travel, but no one else thought they should. ....

Anyway, if you could let me know what you want me to do.

Thanks so much for your help.  
Ann
